Parent *Safe Sanctuary* Information

More than 14 years ago the General Conference of the United Methodist Church adopted a resolution to reduce the risk of child abuse and injury of any kind in the church. This resolution became *Safe Sanctuary*, a proactive, intentional process to assist local congregations as they oversee children's programming. In 2006, Soapstone faithfully adopted the *Safe Sanctuary* program.

Parents -- Please make our church home a *Safe Sanctuary* by:

- Escorting children through elementary age into the building to the appropriate room or area as you arrive at Soapstone for all children's programming.
- Supervising children through elementary age when they are not participating in program ministries at all times in the building and on the playground.
- Meeting children in appropriate room or space for pick up when their activity is finished.
- Escorting children to restroom during worship, Sunday School, and always.

I have read the *Safe Sanctuary* information and agree to do my part as a parent.
