Joyful Noise

(4s–1st grade)

and

Power of Praise

(2nd-5th grade)

The Soapstone Children's Choirs are open to all kids who love to sing praises to God! We'll learn cool new songs to sing in worship and discover how even the youngest among us can be worship leaders! Kids from 4 years old to first grade will also enjoy time with Boomwhackers, Melody Bells and rhythm instruments as they make a joyful noise to God!

All kids will have a blast coming together to provide music for the Children's Christmas Eve Service and second through fifth graders will enjoy putting on the annual spring musical!

Kids on a Mission

4s –1st Grade

2nd-5th Grade

Put on your detective hats and travel back to biblical times. Find the place where David fought Goliath, search the lion's den with Daniel, experience the fiery furnace with Shadrach, Meshach, and Abednego. Travel the road with Jesus and the Disciples to find who might be hiding up a tree. Share your time and talents as you serve Jesus through weekly mission projects that reach out to our church family, community, and world.

Kids Rock Ringers

2nd–5th Grade Only

This is the Soapstone Children's Handbell Choir. Children learn to ring both handbells and handchimes while preparing pieces to play in worship several times a year. Come join the ringing fun!

Kids Rock Questions:

Does my child have to participate in everything during Kids Rock?

No! Children may choose to do everything or:

- Participate in music only and head home at 5:45.
- 4s-1st grades may come at 5:45 for Kids on a Mission only
- 2nd–5th grades may come at 5:45 only for *Kids Rock Ringers* **or** *Kids on a Mission*. Please note that 2nd-5th graders must choose one option through December and are welcome to switch in January. For instance they may be a *Kids Rock Ringer* from September-December and participate in *Kids on a Mission* January-May or they may choose one option for the whole year.

Are there any opportunities for parents to help?

Of course! We need:

- Parents to help at the sign-in table before Kids Rock.
- During Kids on a Mission as needs arise during the year
- Children's Musical volunteers in the spring.
